The Huron County Treasurer's ACH Direct Debit payment plan is devised to assist you in paying your property taxes in a timely manner. Monthly payment amounts are analyzed on a yearly basis once the tax rates are set and certified by the State of Ohio.

The ACH Direct Debit Program allows taxpayers to divide their semi-annual tax bill into six easy-to-manage, monthly payments. Payments will be automatically withdrawn out of your account using the ACH Direct Debit payment method. Five of these payments will be a set amount with the sixth and final payment will be made the balance due for your regular semi-annual tax bill. Because there are two semi-annual tax bills, there are two cycles of payments per year. Please refer to the table below.

First Cycle – six payments:

August
September
October
November
December
January – tax bill balance

Second Cycle – six payments:

February
March
April
May
June
July – tax bill balance

First cycle: These payments are based on your taxes from the previous year. Any changes resulting from tax rates/valuations/levies/etc. will be reflected in the tax bill mailed at the beginning of January. As a result your January payment may differ from the regular monthly payments and will be processed through the ACH Direct Debit program.

Second cycle: These payments will be adjusted to reflect the December certified tax amounts. Your July tax bill will be the balance, if any, of your second half tax.

Eligibility: Taxpayers wishing to enroll in this program must be current with their taxes. Taxpayers with delinquencies, whether they are on payment plans or otherwise, are not eligible.

If you have any questions, please feel free to contact us. We look forward to working with you on this new payment plan.
