Tax notices will be mailed twice each year, at the beginning of each half-tax collection. The information contained thereon will enable you to pay the first half or both halves at the same time. Final date for payment without penalty for the first half will be February 14 and the second half will be July 11, 2025.

Be sure your tax bill includes all your property and no other. The omission of any parcel of your property makes it incumbent on you to report same to the Treasurer to avoid delinquency and penalties.

The Treasurer and deputies will be glad to help you in any difficulty pertaining to this office, but please do not complain to them about your assessments in any form. The Treasurer cannot increase or decrease your taxes in any way but must collect them as certified to her office. All questions regarding valuations of property, rate of taxation and so forth should be addressed to the County Auditor.

Megan R. Bursley, Huron County Treasurer
